

REMARKS

The present supplemental amendment is in further response to the Final Office Action of March 5, 2010. Claims 3-13 and 17-25 are currently pending in this application.

A response to the Final Office Action of March 5, 2010 was filed on May 4, 2010. The Examiner called Applicant's counsel on June 1, 2010, to request approval for an Examiner's amendment explaining that in claims 7 and 8, "[t]he term 'unaware' as amended in [sic] on 9/30/2009 raises an issue of new matter." (June 2, 2010 Interview Summary, Continuation Sheet) Further, in the June 1, 2010 interview, the Examiner cited paragraphs 15-17 and 22 of the specification as supporting the Examiner's proposed alternative claim language.

In response, claims 7 and 8 have been amended to delete the "unaware" language thus making moot the issue of new matter. Further, claims 7 and 8 have been amended to correct to provide proper antecedent basis. It is Applicant's belief that no new matter has been added by these amendments.

Applicant respectfully requests allowance of the present application in view of the amendments made above and remarks set forth below.

Conclusion

All pending claims are allowable and Applicant therefore respectfully requests a Notice of Allowance from the Examiner. Should the Examiner have questions, the Applicant's agent may be reached at the number provided.

Respectfully submitted,
Edward Balassanian
